

Olympia is a renowned cinematographer, based in Athens, Greece and working in the film industry of European co-productions.

Born and raised in Northern Greece, on the foothill of Olympus Mountain she developed a passion and understanding for natural light, from an early age.

After working as a camera assistant on film for several years, she started her career as cinematographer, in 1999.

Since then, Olympia has shot several feature and short films, documentaries, TV commercials and corporate videos, music videos, video art and more. Most of her works in film productions have premiered at numerous prestigious film festivals all over the world.

Some of her collaborations in feature films are:
